- ⁴ The voice of the LORD is powerful; the voice of the LORD is majestic.
- ⁵ The voice of the LORD breaks the cedars; the LORD breaks in pieces the cedars of Lebanon.
- ⁶ He makes Lebanon skip like a calf, Sirion like a young wild ox.
- ⁷ The voice of the LORD strikes with flashes of lightning.
- ⁸ The voice of the LORD shakes the desert; the LORD shakes the Desert of Kadesh.

Nursery Worker

Due to Nancy Suddarth's recent health concerns, the Nursery Committee will need to hire an interim nursery worker for our 10:15 a.m. service. This is a paid position: \$25 per Sunday. If you or someone you know would be interested in working in the nursery from 10:00 – 11:45 a.m., Sunday mornings, please contact Diane Riggs (776-5726) or the church office.

From the Pastor:

Full House Sunday

It has been quite a while since we have had a "full house" for worship time at Jenkins church. With two services it is more difficult to have a "full house", but it can be done. It will just take a little more effort and a lot more praying.

Let's have a full house gathered for Worship on September 12, for both services. By then school will be back in session and most vacations will be over and therefore it should not be too difficult to have everyone connected with Jenkins Church to be present for worship on September 12. And that would fill the house twice, or come close.

Will you pray about it? Pray about your own schedule. Pray about how you can be sure to be present. Pray about a friend, relative, acquaintance, or neighbor that you could invite.

The goal is every member and constituent present plus a good number of other folks. Is this an unrealistic goal? Let's just see. With God all things are possible.

Remember that Jesus teaches us to be persistent in our prayers. Let's pray and let's invite. And let's make sure we are present ourselves.

FULL House Sunday is September 12.

Learning from Unbelievers

I've often heard pastors complain that unbelievers are more resistant to the Gospel today than in the past. I don't think that is true at all. More often than not, resistance is just poor communication. The message just isn't getting through. Churches need to stop saying people are closed to the Gospel and start finding out how to communicate on the unbeliever's wavelength....

How do you learn to think like unbelievers? Talk to them! One of the greatest barriers to evangelism is that most believers spend all their time with other Christians. They don't have any unbelieving friends. If you don't spend time with unbelievers, you won't understand what they're thinking.

-- Rick Warren in The Purpose-Driven Church

Sunday School News

August 29 marks the beginning of Christian Education Season in the Cumberland Presbyterian Church. As a church, we at Jenkins will be holding a special Children's Sunday service followed by a church picnic. We ask you all to support Christian Education at Jenkins through your encouragement to our teachers and workers, your volunteer participation, your presence at Sunday School, and most of all, your prayers that God will work through us to reach others with His Word.

Web Page

We have started to get some hits on our new web page (www.jenkinscp.org). One member who was unable to attend church was excited to discover that she could start listening to the 8:00 service even before that service was completed!

Worship and song leaders, or anyone wishing to enrich their worship experience through advanced preparation, can now find the bulletin on the web site shortly after it is completed (usually by Friday afternoon).

Remember that the "Member's Page" asks you for a user name and a password which are published in the printed newsletter (or ask Gary or Brother Larry). On that page, you will find prayer bulletins which are updated several times per week. In the near future, we will also be publishing the Jenkins' phone list in this secure area.

Please check out the new web page, add it to your "favorites" on your home and work computers, and check back often to keep in touch with the Jenkins Church Family. Please send suggestions to gary_bomar@bellsouth.net, or just catch him at church. Also, if you have digital pictures of church events, please share them with Gary (send them in an e-mail or provide them on CD). We have a "Pictures" folder on the web site. Right now, it only contains pictures of the BBQ that we had back in the spring. We will also be adding a write-up on the many ministries that we have here at Jenkins and pictures would greatly enhance that document.

Something to think about...

There was once a great king who owned a beautiful diamond. But there was a problem. The diamond had a flaw – a noticeable scratch. As a result, the otherwise beautiful gem could never be given or worn or admired.

The king sent word through his vast kingdom that great riches and prestige would come to the person who could take away the flaw. Well, they came, the best of jewelers and artists, even magicians, but alas, no one could remove the scratch. The king despaired.

Then one day a young man arrived, somewhat optimistic about his chances for doing what no one else had been able to do. He quietly set to work, and stayed diligently at his task. Then one afternoon, the young man knocked on the king's door. He handed the diamond to the king. Slowly a smile spread across the king's face. "Yes!" he shouted gleefully. The queen and all the court crowded in for a closer look.

The scratch was still there. But the young man had carved a rose around it, using the scratch for a stem!

Isn't that what God does to our lives? He uses our flaws to create in us a beautiful portrait of Himself.

Congratulations

To Nicole Bondanza and Matthew Stout who were married here at Jenkins Church on Saturday, July 10th. May God richly bless them in their new life together.
