Hebrews 11:1-8 NIV

¹Now faith is being sure of what we hope for and certain of what we do not see. ²This is what the ancients were commended for.

³By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.

⁴By faith Abel offered God a better sacrifice than Cain did. By faith he was commended as a righteous man, when God spoke well of his offerings. And by faith he still speaks, even though he is dead.

⁵By faith Enoch was taken from this life, so that he did not experience death; he could not be found, because God had taken him away. For before he was taken, he was commended as one who pleased God.

⁶And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.

⁷By faith Noah, when warned about things not yet seen, in holy fear built an ark to save his family. By his faith he condemned the world and became heir of the righteousness that comes by faith.

⁸By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went, even though he did not know where he was going.

READER: THE WORD OF GOD – FOR THE PEOPLE OF GOD
PEOPLE: PRAISE BE TO GOD

The season from **Easter to Pentecost**, also known as "**March of Missions**", has been set **aside as a time for denomination wide missions' emphasis**. You will find inserts with short stories on how God blesses our lives and the ways in which we in turn can share those blessings with others. **World Mission Day will be observed on Pentecost Sunday, May 15th**.

"What I've Learned As I've Grown Older"

I've learned that no matter what happens, or how bad it seems today, life does go on, and it will be better tomorrow. I've learned that you can tell a lot about a person by the way he/she handles these 3 things: a rainy day, lost luggage, and tangled Christmas tree lights. I've learned that regardless of your relationship with your parents, you will miss them when they're gone from your life. I've learned that life sometimes gives you a second chance. I've learned that you shouldn't go through life with a catcher's mitt on both hands; you need to be able to throw something back. I've learned that whenever I decide something with an open heart, I usually make the right

decision. *I've learned that even when I have pains, I don't have to be one. I've learned that every day you should reach out and touch someone. People love a warm hug, or just a friendly pat on the back. I've learned that I still have a lot to learn. I've learned that people will forget what you said, people will forget what you did, but people will never forget how you make them feel.* – Dr. Maya Angelou being interviewed by Oprah
