Psalms 91:1-3; 9-16

1) He who dwells in the secret place of the Most High Shall abide under the shadow of the Almighty.
2) I will say of the LORD, "He is my refuge and my fortress; My God, in Him I will trust." 3) Surely
He shall deliver you from the snare of the fowler and from the perilous pestilence. 9) Because you
have made the LORD, *who is my refuge, even the Most High, your dwelling place,* 10) no evil shall
befall you, Nor shall any plague come near your dwelling; 11) for He shall give His angels charge
over you, To keep you in all your ways, 12) in *their* hands they shall bear you up, lest You dash Your
foot against a stone. 13) You shall tread upon the lion and the cobra, the young lion and the serpent
You shall trample underfoot. 14) "Because He has set His love upon Me, therefore I will deliver Him;
I will set Him on high, because He has known My name. 15) He shall call upon Me, and I will answer
Him; I *will be* with Him in trouble; I will deliver Him and honor him. 16) With long life I will satisfy
Him, and show Him My salvation."

The Jenkins Journey

Behold, I Will Do a New Thing

“Behold, **I will do a new thing**; now it shall spring forth; shall ye not know it? **I will** even make **a way** in the wilderness, [and] rivers in the desert” These are the words the Lord spoke through the prophet in the book of Isaiah chapter 43. I believe God is doing a new thing at Jenkins Church. I guess part of that feeling in me could be because of how new I am to the church, meeting so many new people and seeing so many new faces. But, I believe there is much more going here than me being new. God ask the question, “Shall you not know it?”

There is a place inside each of us where we know things. It is that place where things are real even though you can't see them yet. I call that place, “my knower.” In my knower I sense the movement of the Spirit of God in this place. Way down deep, in my knower, I believe God is up to something special at Jenkins.

Spring is just around the corner, and have you ever noticed during this time of year the wind will start to blow, and you may not know exactly what's going on, but you know something is stirring. Then the clouds begin to move in and before long the small of rain is in the air. It is the same when the wind of the Spirit starts to blow. The wind has been blowing at Jenkins for quiet some time.

My first day as your pastor was on a Monday and my first worship experience as your pastor was on Wednesday night and I knew then as I participated in Worship that God is doing a new thing at Jenkins. The wind of the Spirit is blowing and the rain is coming. I am going to ask you to check down deep in your knower. Have you sensed the good things that are stirring at Jenkins? Is there is sense of excitement in your Spirit when you consider the things that God may what to do through this congregation for this community and beyond. Join me in allowing God to fill our hearts full of expectation as we wait upon the Lord.

A Word of Thanks Jeanni and I would like to express our sincere appreciation for how you all have welcomed us to Jenkins and shown such care and concern toward our family. I am excited about the opportunities that lie before us and I am thankful and humbled to be your pastor. We look forward to many years of blessing as the Lord leads our way.

2011 Committees. There are lots of things that committees at the church do. There is a list in the office of current committees and the members of each. There are also blank spaces to add your name if you could share your particular talents. Our finances prohibit us from hiring people to do every little thing at the church, so if you can help in some way please sign up for 2011.

MEN'S FELLOWSHIP NEWS

The men's fellowship will have a work day on March 19th after our regular breakfast meeting. We will go to Tommy Marcum's house to help with rebuilding after his fire. If that is not feasible, we all know someone or frequent at least ONE business that may be willing to donate. How about checking where you shop (groceries, clothing, jewelry, sports stuff, car stuff, hobby stuff, tools, home & garden, etc), do business (services like Air Conditioning & Heating, carpet cleaning, manicures, pedicures, hair cuts, dry cleaning, eating places) and go for entertainment (movies, TPAC, Q-Zar Laser Tag, bowling, miniature golf, General Jackson); I think you get the picture.
