Luke 5:1-11

Now it happened that while the crowd was pressing around Him and listening to the word of God, He was standing by the lake of Gennesaret; 2 and He saw two boats lying at the edge of the lake; but the fishermen had gotten out of them and were washing their nets. 3 And He got into one of the boats, which was Simon's, and asked him to put out a little way from the land. And He sat down and began teaching the people from the boat. 4 When He had finished speaking, He said to Simon, "Put out into the deep water and let down your nets for a catch." 5 Simon answered and said, "Master, we worked hard all night and caught nothing, but I will do as You say and let down the nets." 6 When they had done this, they enclosed a great quantity of fish, and their nets began to break; 7 so they signaled to their partners in the other boat for them to come and help them. And they came and filled both of the boats, so that they began to sink. 8 But when Simon Peter saw that, he fell down at Jesus feet, saying, "Go away from me Lord, for I am a sinful man!" 9 For amazement had seized him and all his companions because of the catch of fish which they had taken; 10 and so also were James and John, sons of Zebedee, who were partners with Simon. And Jesus said to Simon, "Do not fear, from now on you will be catching men." 11 When they had brought their boats to land, they left everything and followed Him.

PRAYER GARDEN BRICK PAVERS ARE NOW AVAILABLE FOR PURCHASE

We are pleased to announce the purchase of memorial and honorary brick pavers for the new prayer garden to be constructed outside the south doors of the vestibule. We wish to create a beautiful quiet area which emphasizes the importance of prayer.

A place where one can commune with God in nature, and remember loved ones who have finished their race and honor those whom we love. There are order forms available to be completed. Each brick paver can have three lines of text with 18 characters on each line.

The 18 characters include spaces, commas, quotations mark, etc...

Brick pavers are \$50.00 each. The funds collected from your purchases will be used to pay for the brick pavers and their engraving, and the cost of construction of the prayer garden. A pergola is to be constructed the length of the sidewalk just outside the south entrance. The prayer garden with brick pavers will be constructed on the other side of the sidewalk that runs the length of the sanctuary. Beautiful landscaping (in part to hide the light pole and gas tank) will be a part of this project, prayer benches, a cross that can be seen from the vestibule, and moving the gas tank further to the west will be involved in the 1st phase of this project.
