## JOB SERMON SERIES

### The Humanity of Pain

As you know, I rarely preach sermon series. I'm trying something new, though, and hope you'll come along for the journey. A friend introduced me to a new way of preparing sermons and I have decided to give it a try the next few weeks.

So, beginning 10/24, we'll have a sermon series titled **Job: The Humanity of Pain**. Though the problem of pain hasn't been figured out in all of humanity's history, we will recognize how pain is a real human experience, lived in lives of the community, and how God offers hope to all people.

I hope you make plans to join us as we learn to understand God, even in the midst of pain, so that we may worship God, be healed, and aid in God's healing of others.

**This is the church's call.**

## PARKING LOT PLAN

### The Drive so we can drive!

The Session heard the wishes of many in our congregation and put a plan in place to pave the parking lot by **Spring of 2022**.

It'll be an expensive endeavor, maybe \$75,000, but one that'll last another 25 years.

The church will partner with our Day School to kick off a **fund raiser beginning November of this year**. We'll ask for monthly pledges and one-time gifts from our **church congregation, current Jenkins Day School parents, and the parents of our Day School alumni**, too. Our goal is to raise enough to cover the cost but have negotiated with a local bank for a loan of the balance if needed. So, get ready. Let's all pitch in the part we are able and ensure our campus remains a safe and good place of God.

## OUTREACH CORNER

### MARK YOUR CALENDARS

Saturday, October 30th at 10:00am

### ANGEL TREE STUFFING SESSION

We will stuff backpacks with the hygiene boxes we made in September, as well as adding additional items so there won't be as much to do in December. Come on by and lend a hand.

Thank you to everyone who helped in September.
