# BIBLE STUDY IS BACK!

## THIS WEDNESDAY!

**The Pastor is preparing hard for a new kind of Bible Study.**

Please join us as we look at the history of Israel through its geography. Where is Galilee? Why is Galilee important in Christianity? Who were the Philistines? The Moabites? Where is the West Bank? Where is Golan Heights? What ancient stories come from each of these regions? Where are they today?

We'll use pictures, maps, scripture, and other resources to build out more intricate understandings of the faith!

# CHRISTIAN EDUCATION

## Why is Christian Education important?

Like any of life's goals in which we want to be proficient, it takes work to know the faith. We can't hope to know. We must take time to know. The glorious part of knowing the faith, though, is that we get to learn about God, what God's about, and God's will for this world. What a better way to spend our time!

## Jenkins offers many ways to learn about the faith:

- In the Sunday School classes, we are studying Hebrews and John.
  - Sunday morning we are preaching through Mark.
  - Wednesday nights holds more thorough discussions.
    - The pastor has a library he's thrilled to lend out.
    - There are videos on YouTube and Facebook.

Take time and learn your faith. The rewards are heavenly!

## JENKINS CENTRAL

Please check **Jenkins Central** each week!

The Bulletin Board outside the church offices posts important information, signups, needs, and fun stuff important to the church!

## DISCIPLESHIP FOCUS

### CHRISTIAN EDUCATION

This month we will highlight the Discipleship learning opportunities at Jenkins.

What is more important than learning how to be a disciple of Jesus the Messiah?
